

New Summer route 5 – 8.2 miles

Leave the car park and follow the path left and then right to the dam. Follow the path round the lake turning left under the road tunnel. Turn left immediately after the tunnel and follow the path round to the right through the woods and over the stream. Head right when the path splits and go through a gate onto a track leading past a farmhouse. Follow the track to a T junction then turn left. Head along the track to the road and then turn right along the road. At the end of the houses turn left along the bridal way. Turn right where the path turns along a fence line. Follow the path straight on over the track with the buildings on your left. When the path splits near the air shafts turn right keeping the patch of trees on your left side. Follow the path to the road and then cross

over picking the path up on the opposite side. Follow the path to the road, * turn left and then immediate right. Bear left up the footpath between the buildings and follow straight over the next road onto a paved footpath. Turn right, heading down the hill until you meet the main Otley Road, head straight across onto Breary Lane East. Continue on Breary Lane East (taking a right as the bend starts to turn). Continue straight as the road becomes a footpath. Cross over 2 stiles in quick succession, keeping the fence line on your right side. Follow the path through the field until you hit the road at Bank Top Farm. Turn right on the road and follow it for around 400 metres

before turning left onto the footpath * Follow this path across several more fields. Once you reach the buildings turn right up the bridleway to reach the road. Turn left at the road and then right at the footpath sign. Follow the path down to King Lane and then turn right. Follow the road to the end crossing over to the path opposite. Follow this until the dam and then turn right and head back to the car park.
