GSSC Update

- Proposals for CAR Membership Renewals

- *Currently no firm proposals from GSSC regarding CAR membership renewals. However, the GSSC Committee acknowledge that a discount is appropriate.*
- *Current options considered by CAR:*
 - 1. *No Change – Collect full Subs*
 - 2. *Collect Partial Subs in April with top-up later in the year*
 - 3. *Collect reduced Subs in April with no top-up*
 - 4. *Collect no subs in April but look to collect a partial fee later in the year*
 - 5. *Collect no Subs from GSSC at all this year.*
- *General opinion from CAR Committee is that the renewal process should be limited to a single event in order to avoid the administrative burden of a top up. The preferred solution would be Option 3 to allow a reduced fee for members without further complications. As yet, there has been no discussion regarding the level of discount, but the Committee agreed that options for a 25%, 50% and 75% subsidy should be proposed to GSSC. The preference would be a 50% discount, which would reduce the total membership fee to £30 per individual member (in line with standard GSSC membership)*

Lockdown 3.0 Activities

- Review of CAR Relay

- *Positive feedback from members*
- *Proposed amendments if we run this activity again:*
 - 1. *have a maximum of one leg per day*
 - 2. *make a requirement for the start and finish to be a maximum of 500m apart*

- Proposals for additional challenges/activities

- *The Committee agreed that the next activity to be rolled out would be "Run Roulette", pending the results of the upcoming announcement regarding the roadmap out of lockdown.*
