Chair Person

Ben Robins

Apologies

Paul Hough
David Allison
Jen Whiteman

Minutes

Dan Price

Item	
1.	GSSC Update - The CAR Committee thanked KO, JW and DA for their work in liaising with GSSC regarding membership fees - The CAR Committee provided GSSC with a preferred proposal to halve the fees for the 2021/2022 season, which was accepted by GSSC. - The CAR fees for GSSC* membership for the season running from April 2021 to March 2022 will be: - • Solo: £15 • Family: £15 • Second Claim: £15 • Retired: £10 (*An additional £15pp is required for EA subscription)
2.	England Athletics Update - It was noted that there is an opportunity to vote on proposed changes to UKA/Home Counties etc, but the Committee agreed that this was not relevant to our club as we are not competing at a high level.
3.	Return of CAR Club Nights - BR to send a Broadcast Email to members to notify of return to CAR running on 22nd March. - SG to message CAR coaches to request a volunteer to lead a track session at TN on Saturday 3rd April. - Route options were discussed and whether it was responsible to advocate travelling to locations away from GSSC. The Committee agreed that, as all away routes start within 5 miles of GSSC, this complies with guidance to 'stay local' and is therefore appropriate. However, contrary to our usual message, car sharing would not be encouraged. - The Committee agreed that the first few club runs would be limited to existing members only, prior to inviting new members to join. - GSSC will remain closed on Wednesday evenings, but changing room facilities will reopen as soon as Government guidance permits this. This will be noted in the Broadcast Email on 22nd March. The Committee will review again at the April meeting.

4.	Membership Renewals - <i>Deferrals will be offered to members who have been adversely impacted by Covid-19.</i> - <i>BR to send Broadcast Email to members to announce reduced membership renewal fees for 2021/2022 season.</i> - <i>TH to send a Broadcast Email to members w/c 29 March to remind members of upcoming renewals. Any members that have amendments to their personal details (such as change of address) should update this when renewing. We will also take this opportunity to remind members of the CAR social media platforms and Strava club.</i>
5.	Any Other Business - <i>Recent Minutes to be uploaded to website and DP to send social media post to inform members that these are available for viewing.</i> - <i>BR to email Alison to organise return of CAR Handicap trophy.</i> - <i>April meeting agreed to be Tuesday 06 April (moved due to Easter long weekend). Theme to focus on Club Development and Lessons Learned from Covid-19.</i>
