1.	Welfare - Dannie Hembra attended a Time To Listen course and attended the meeting to provide an update to Committee members - Welfare officer role split into three parts: - o <u>Safeguarding</u> ❖ Need to ensure that Welfare Officers are more visible ❖ Welfare Officer should provide contact details ❖ Need to pay particular attention to events where children are invited (BBQ etc.) - o <u>Mental Health</u> ❖ Particularly relevant with Covid-19 ❖ 'Run and Talk' week to be promoted at the club - o <u>Bullying</u> ❖ Need to ensure that we are inclusive as a club, and accessible to all abilities ❖ Need to look at promoting diversity within the club
2.	PECO XC - CAR to assist Race 5 at Roundhay Park (Roundhay Runners to lead) on 20 February 2022. - Season ticket only proposed rather than allowing single race sign ups, to reduce administrative burden. - EA Registration compulsory. - Full Lineup: - o RACE 1 – Harrogate Showground – 14 November 2021 - o RACE 2 – Temple Newsam – 5 December 2021 - o RACE 3 – Middleton Park – 19 December 2021 - o RACE 4 – West Park – 23 January 2022 - o RACE 5 – Roundhay Park – 20 February 2022
3.	CAR Handicap Race - All preparations for the race are in hand (DA leading). - PH volunteered to organise pizza order for social afterwards. - Wine to be provided to Male/Female Handicap winners (First Finisher and Fastest)

4.	Parkrun Cup - SG advised that all is in hand for the final at Potternewton Park on Saturday 25 September. - Attendees will be encouraged to bring a flask for a coffee in the park afterwards whilst results are announced.
5.	Monday Interval Sessions - SG provided an update on track options (appended) - The Committee agreed to pursue the Brownlee Centre option - shared use with Leeds Uni being the preference. - MD updated on the number of active run leaders and impact on sessions. Proposal is to drop down to one session due to lack of LiRFs and Committee to continue to encourage members to register interest in becoming a run leader
6.	CAR Annual General Meeting - Confirmed for Sunday 14 November (after Peco XC Race 1) - Planning Discussion to take place outside of Committee meeting
7.	Any Other Business - Rota required for 'announcements' at club runs – BR to draft. - Date of next meeting – Monday 4th October 2021

CAR TRACK OPTIONS WINTER 2021-22

1. BECKETT

- No new large bookings until 2022
- We could probably use the app and ask people to book individually but we wouldn't know availability until 2 weeks in advance (8pm Monday seems to be available most weeks for bookings on the app)

2. JCCS

- Wednesday evenings are available for exclusive hire
- Exclusive hire = £92 p/h
- You can just turn up and use the track if you don't want exclusive usage but need to ring up in advance to check there are no bookings on (each person would pay their own fee with this option)
- Casual bookings can be made through reception
- Can't find any public timetable outlining block bookings/ closures

3. BROWNLEE CENTRE (EXCLUSIVE USE)

- Available Monday before 6pm & 8.30-9.30pm
- Available Thursday 6-7pm
- Available weekend times
- £57 per hour (not sure if pay & play or block/ invoice booking but will find out)

4. BROWNLEE CENTRE (SHARED USE)

- Possibility to share track with Leeds Uni once a month on Tuesdays from 6pm - 7pm
- Likely that pay-per-head on the night will be available with this option
